Turn About 2006

May 27th, 2006

Turn About 2006, if you wanted to try drag that was your night to do it. We had many new preformers that night with hot numbers. The photos from that night are on this site and video clips will be soon added.

Hello everyone

May 1st, 2006

YAY, the OZ web site is now up and running. We had some things go wrong but they are fixed now and this site is going nowhere. If anyone has any ideas for the site just let me know.
