Softball players, coaches, and fans,

It is with great pleasure this year that we welcome you to the 28th Annual Classic Tournament weekend. The Dairyland Classic Committee has once again gone through countless hours of work and details to ensure that your weekend stay in Milwaukee will be the most enjoyable yet.

For those of you that have been to one of our tournaments before, "Welcome back!" We promise that during the course of this weekend, the events that we have planned will be unforgettable. For those cities and individuals that are new to our tournament be prepared to be blown away!

As many of you know, Milwaukee is a city rich in tradition when it comes to our gay softball. We are home to one of the oldest leagues in the country (SSBL) which was established in 1977. Our tournament name has changed throughout the decades; from the Wreckroom Classic to the Milwaukee Classic and finally to the present Dairyland Classic. One thing has not changed, however, and that is the quality of our tournament.

There are parties every evening/day from Thursday, September 1st thru Monday September 5th. The Dairyland Classic **KICKOFF PARTY** at **TRIANGLE** will get the tournament started on Thursday evening and is open to all players and supporters of the Dairyland Classic and SSBL. Events will include food, raffles, 50/50 and drink specials. You may also register for the tournament at Triangle on Thursday evening. On Friday, the **DLC (DAIRYLAND CLASSIC) BLOCK/REGISTRATION PARTY** will be held at **M.O.N.A.'s**. This will be an event NOT to be missed. Afterwards stop by at **WOODY'S** for the **WELCOMING PARTY** culminating with the balloon drop at Midnight. On Saturday, Barrag's Beer Bus will take you from the host hotels to all the bars and to three parties that evening. **BALLGAME, HARBOR ROOM and SWITCH** will be your host parties for the evening. Sunday's event at the **HILTON** is guaranteed to be a great way to celebrate the weekend with some major surprises in store at the **AWARDS DINNER**. Then it's off to **219** and **FLUID** for some hot entertainment and drinks. And if that was not enough, for all softball players and coaches, there will be a **SEND OFF BRUNCH** at **M&M CLUB** on Monday morning!

Please enjoy your stay in Milwaukee. Have fun and enjoy yourselves!

JIM DOYLE
GOVERNOR
STATE OF WISCONSIN

Welcome to the 2005 Dairyland Classic Softball Tournament!

On behalf of the state of Wisconsin, I want to welcome everyone to Milwaukee, and the 28th Annual Dairyland Classic softball tournament.

This weekend, nearly 40 teams from around the United States and Canada will come together in a city that has long been a center for organized gay softball. Milwaukee's Dairyland Classic provides recreation and enjoyment for hundreds, while working to bring together and strengthen the LGBT community. I commend everyone involved for their hard work to make this tournament happen.

During your visit to Milwaukee, I hope you will take the opportunity to experience all that it has to offer. No matter what the season, our great city on the lake offers visitors a variety of recreational and scenic attractions. Milwaukee is also a city of multi-cultural heritage, and celebrates its diversity through its many restaurants, museums, cultural attractions, and festivals.

Enjoy the weekend and good luck to all the teams!

Sincerely,

Jim Doyle

September 2005

Dear Friends:

Welcome to the 28th Annual Dairyland Classic Softball Tournament! Our state and the City of Milwaukee are proud to host this event and I am honored, as well, to welcome teams from over 36 cities across the United States and Canada.

No matter where you are from, the diversity of the LGBT community is something to celebrate each and every day. Our community is vitally important to the social, economic and cultural fabric of society. Whether you play on a team, coach a team, sponsor a team, or cheer for a team, you are all playing your part and making a difference in our community. The bonds you create, the bridges you build, and the friendships you make on the softball field help foster understanding that endures.

As the first "out" individual to ever run for and be elected to the United States Congress, I am inspired by our community's courage. I am inspired by *your* courage. Although we live in challenging times, when some in America are trying to pit one citizen against another, you are making a choice to reject this intolerance. You are standing up – as individuals and as teams – out and proud.

As each participant in the Dairyland Classic takes to the field, your sportsmanship and teamwork are to be celebrated. I join you today in that celebration and wish each of you good luck in the tournament.

Sincerely,

Tammy Baldwin

HISTORY OF the MILWAUKEE SOFTBALL TOURNAMENT

The Saturday Softball Beer League or SSBL competed as an official league in 1978, although four teams arranged "pick-up" games in 1977. Eight teams competed in SSBL's first year in 1978. The first WRECKROOM CLASSIC was also held in 1978 over the Memorial Day Weekend. It all started as 3 guys were having a drink on a cold and snowy night in February 1978. Someone suggested "Why don't we have a softball tournament over the Memorial Day weekend?" Wayne Bernhagen, owner of the Wreck Room (which is now a building for MIAD) was always ready to promote Milwaukee and the gay community, said, "Go for it!"

The next question – "How are we going to get anyone to come to Milwaukee in May?" After going thru Bob Damron's Gay Guide, over 50 invitations were sent out to all over the country. The break-through came from NYC. Richie Diaz said he would have his Eagles team participate. Word next came from Toronto that they would also be sending a team.

In 1978, the North American Gay Amateur Athletic Alliance (N.A.G.A.A.) was organized. Milwaukee, along with San Francisco, New York City, Los Angeles and Toronto became its charter members. N.A.G.A.A. awarded Milwaukee to be the host city for the 1979 Gay Softball World Series or World Series III. Teams from Boston, Chicago, and the Twin Cities were also invited to participate. Because of the World Series coming to Milwaukee, the Wreckroom Classic was not held that year.

In 1980, 11 out-of-town teams joined 8 Milwaukee entries for the Wreckroom Classic with the M&M Club taking the crown. In 1981, teams from Los Angeles and San Francisco with the Wreckroom Classic increasing to 22 teams. Milwaukee's Wreckroom Chaps defeat the Nu-Town Saloon of Los Angeles to take the Classic. In 1982, 22 teams participate in the tournament with the Pendulum Pirates of San Francisco taking the crown, a warm up for their eventual title run in the World Series. In 1983, 23 teams participate as the Wreckroom Chaps return the cup to Milwaukee in a thrilling 9-inning victory over Sidetracks of Chicago. The last year of the Wreckroom Classic saw 26 teams come to Milwaukee in 1984 with Griff's taking the trophy back to the West Coast and Los Angeles.

In 1985, Milwaukee again hosted the 9th Gay Softball World Series as we "Captured the Spirit", so there was no Classic. For the first time, a women's division was also included.

1986 brought a major change to the Wreckroom Classic. Due to health reasons, Wayne Bernhagen asked SSBL to take over the sponsorship of the tournament. The Milwaukee Classic was born and in its first year, 20 teams participated. Cloud 9 Americans of the Twin Cities avenge an earlier loss to Redoubt of Chicago to win the final 2 games and the Classic. The Americans repeat in 1987 and Club 1270 of Boston becomes the first Recreational division champion. Chicago and New York come through in 1988 as Sidetracks capture the Competitive division and Ty's/Chelsea Transfer take the Recreational division.

In 1989, the Milwaukee Classic sees 33 teams visit Milwaukee as the women join in. Burkhardt's win the Competitive cup while Venture Inn of Philadelphia capture the Recreational division. Club 1270 of Boston take the Women's crown.

In 1990, the Milwaukee Classic was mostly "bad"! Blake's Bad Boys of Atlanta won the Recreational division and the M&M Bad Girls of Milwaukee win the Women's division. The Saloon Americans of Minneapolis win the Competitive division. 1991 saw the Classic's first no-hitter as Ray led the New York Spike's Black Sox to the Competitive crown. The Brass Rail Bandits of Minneapolis edged the Wreckroom Spurs of Milwaukee for the Recreational trophy.

1992 saw the largest Milwaukee Classic. There were 46 teams that participated. It was also the coldest tournament that Milwaukee had with wind chill temps in the teens. Games were switched to Wick Field. Chicago Sidetracks and the Minneapolis Brass Rail Bandits took home the hardware.

In 1993, Milwaukee and Chicago entered into an agreement to alternate the Memorial Day tournament. This year the tournament was in Chicago.

In 1994, 28 teams participated in the tournament with the Cincinnati Cats, Chicago's Granville Station and Your Place of Milwaukee taking trophies.

In 2002, big changes again. The Classic changed names once again, with the tournament changing not only the name but also the weekend of the tournament. The Dairyland Classic tournament over Labor Day Weekend was born. Its first year saw 14 teams enter into the tournament.

2003 the Dairyland Classic had to compete with the Harley Davidson 100th Anniversary party, so the decision was made to move the tournament to the weekend after Labor Day weekend. 12 teams were represented coming from Minneapolis, St Paul, Madison and Chicago.

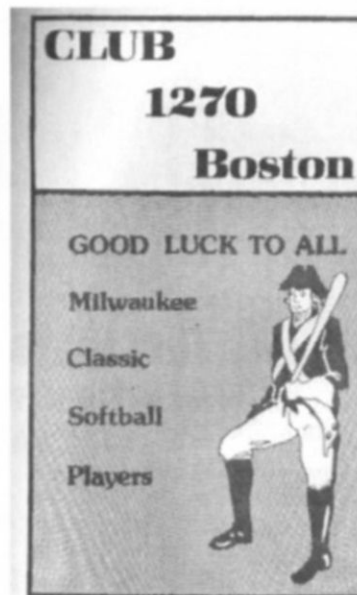

2004, the Dairyland Classic jumped to 22 teams with a teams from Toronto and New York City returning to the tournament. As always a strong contingency of Twin Cities teams were represented with the St Paul Townhouse Arrest and the Minneapolis Lone Stars taking both C Division trophies.

This year, in 2005, the Dairyland Classic ended up with 37 teams, our 2nd highest EVER. Who will win and what history will be made? Stay tuned.
